

NOTICE FROM THE PARISH COUNCIL

Dated: 19th June 2025

**Regarding Items ECPC – 23/25 (a) to (e)
for the Full Council Meeting being held on 19th June 2025**

The Internal Audit Report and Annual Governance and Accountability Review (AGAR) documents are not ready yet for consideration. Therefore, these items will be deferred.

Given the significant financial issues the Council has experienced over the course of the last financial year, there have been a number of obstacles to getting this process completed.

The Parish Council is confident that the report and AGAR will be finalised over the coming days and an Extraordinary meeting of the Parish Council will be called as soon as possible to consider and approve the documents, ready to send to the External Auditor.
