Residentss concerns - DCC 03.08.26.docx;

Dear Kimberley,

The residents' concerns attached have been forwarded to me for attention.

Unfortunately, the information provided is currently too limited for me to investigate the issues effectively.

Could you please confirm whether these concerns have been reported through the DCC portal and allocated FS case numbers? If they have, the cases should already be with the appropriate officers for investigation and action where required. Should there be any concerns regarding the handling or progress of those cases, I would be happy to look into them further.

If the issues have not yet been logged through the portal, I would be grateful if this could be done in the first instance, as this will ensure they are directed to the relevant team for assessment and investigation.

Kind regards,

[REDACTED]
